FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Terrence M. O'Reilly, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was approved by the Director, Nebraska Service Center, who certified the decision to the Associate Commissioner for Examinations for review. The decision of the director will be affirmed.

The petitioner is a hockey team. It seeks to employ the beneficiary as an amateur ice hockey player for a period of five and one-half months. The certifying officer of the Department of Labor declined to issue a labor certification because the position is not considered a bona fide offer of employment because no wage is being offered and the job is not a job in the traditional sense.

8 C.F.R. 214.2(h)(6)(iv)(A) requires that a petition for temporary employment in the United States be accompanied by a temporary labor certification from the Department of Labor, or notice detailing the reasons why such certification cannot be made. 8 C.F.R. 214.2(h)(6)(iv)(E) states that a petition not accompanied by a temporary labor certification must be accompanied by countervailing evidence from the petitioner that addresses the reasons why the Secretary of Labor could not grant a labor certification.

The director determined that the petitioner had submitted sufficient countervailing evidence to show that, the need for the beneficiary is seasonal, the employment policies of the Department of Labor have been observed, and that the position offered is temporary.

After review of the evidence contained in the record, the decision of the director is found to be correct.

ORDER: The decision of the director is affirmed. The visa petition is approved.
